PARTNERSHIP OPPORTUNITIES FOR LICENSED HEALTH PROFESSIONALS

We are excited to invite you to partner with the Octavia Rabotapi Private Family Clinic, a My African Dream Pty Ltd project. We are now accepting applications for licensed health service providers to join our clinic and offer essential services to our community. Below, you will find the partnership options available, as well as key details regarding operational logistics:

PARTNERSHIP FRAMEWORK / MODEL

Option 1 - Clinic Slot Rental Fees

- R1,000 per 2-hour consulting slot, payable weekly.
- Service providers are welcome to select more than one slot across both weekdays and weekends.

Option 2 - Revenue Share Model

- This is a 50/50 revenue-sharing model. Please note that significant investments have been made to build and equip the clinic, which includes tax obligations.
- All payments will be processed through the clinic's POS system (MY AFRICAN DREAM PTY LTD), with your share of the revenue reconciled and paid out weekly.
- Cash payments in the revenue-share arrangement will be administered by the clinic's employed administrator.

Consumables and Stock:

- Service providers are expected to bring their own essential equipment specific to the services they offer.
- Certain stock and amenities, such as test strips and stationery, will be available for purchase from MY AFRICAN DREAM PTY LTD.

Operational Costs and Amenities

My African Dream Pty Ltd will cover the costs of cleaning, security, and administrative staff to ensure all consulting rooms are prepared for the next service provider.

The clinic also covers levies, rates, and taxes.

Included at no extra cost to service providers:

- Free electricity
- Free borehole water (septic tank maintenance is also handled by the clinic)
- Free Wi-Fi
- Access to a comfortable lounge area for clients and service providers to use between sessions

The fully equipped and furnished ORC is now ready for full clinic operations, and we are planning a soft launch on 1 November 2024. We look forward to the possibility of working together to provide quality healthcare to our community. If you are interested or require more information, please feel free to contact us.
